UNBREAKABLE

I never believed in ghosts. Until one tried to kill me.

When Kennedy Waters finds her mother dead, she doesn’t realize paranormal forces are responsible—not until mysterious identical twins, Jared and Lukas Lockhart break into Kennedy’s room and destroy a deadly spirit sent to kill her.

Kennedy learns that mother’s death was no accident, and now she has to take her place in the Legion of the Black Dove—a secret society formed to protect the world from a vengeful demon. A society left in the hands of a group of teens with unique skills: Jared, combat trained with a temper to match; Lukas, rogue hacker and code breaker; Alara, whose attitude is as powerful as her voodoo protections wards; and Priest, an engineer capable of making weapons out of a soda can.

As the teens use their individual talents to battle paranormal entities, each earns their rightful place in the Legion—except for Kennedy, who is left wondering if she is truly one of them. Can she stay alive long enough to find out, without losing her heart in the process?

PROTECT YOURSELF. WHAT YOU CAN’T SEE CAN HURT YOU.

Now Kennedy and the other Legion members-Alara, Priest, Lukas, and Jared—have to hunt him down. As they learn more about the history of the Legion and the Illuminati, Kennedy realizes that the greatest mystery of all does not belong to any secret order, but to her own family. BEAUTIFUL CREATURES

There were no surprises in Gatlin County.
We were pretty much the epicenter of the middle of nowhere.
At least, that's what I thought.
Turns out, I couldn't have been more wrong.
There was a curse.
There was a girl.
And in the end, there was a grave.

Lena Duchannes is unlike anyone the small Southern town of Gatlin has ever seen, and she's struggling to conceal her power, and a curse that has haunted her family for generations. But even within the overgrown gardens, murky swamps and crumbling graveyards of the forgotten South, a secret cannot stay hidden forever.

Ethan Wate, who has been counting the months until he can escape from Gatlin, is haunted by dreams of a beautiful girl he has never met. When Lena moves into the town's oldest and most infamous plantation, Ethan is inexplicably drawn to her and determined to uncover the connection between them.

In a town with no surprises, one secret could change everything.

BEAUTIFUL CREATURES has been published in 50 countries and translated in 39 languages. The film adaptation of BEAUTIFUL CREATURES released in theaters in 2013, from Warner Brothers, starring: Viola Davis, Jeremy Irons, Emma Thompson, Emmy Rossum, Alice Englert, and Alden Ehrenreich.

DANGEROUS CREATURES

A new series returns to the world of Beautiful Creatures. Some loves are cursed... others are dangerous.

Ridley Duchannes will be the first to tell you that she's a bad girl. She's Dark. She's a Siren. You can never trust her, or even yourself when she's around. Lucky for her, Wesley “Link” Lincoln can never seem to remember that; quarter Incubus or not, his heart is Mortal when it comes to Ridley. When Link heads to New York City to start a music career, Ridley goes along for the ride-and she has her own reasons. As if leaving small-town Gatlin for the big city, trying to form a band, and surviving life with a partially reformed Siren isn't hard enough already, Link soon learns he has a price on his head that no Caster or Mortal can ever pay.
